

we are building again

PEACE BRINGS
new problems
new possibilities

FOR US

building a **DORMITORY** on the side of a mountain

space that is
fresh
simple
planned
for creative living

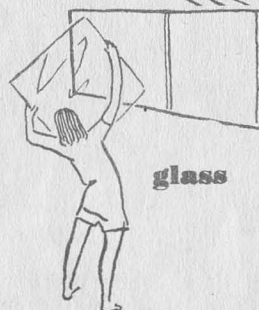

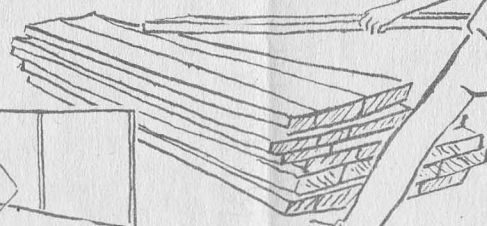

WE will do the work
all of us here
THE STUDENTS
THE FACULTY

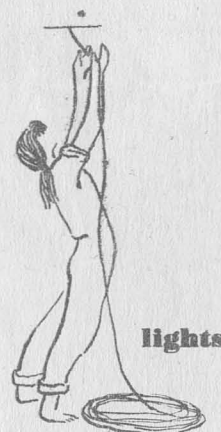

but you must give us materials

YOUR MONEY WILL BUY

wood

glass

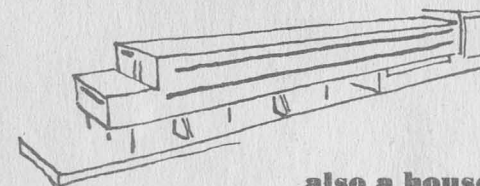

lights

roofing

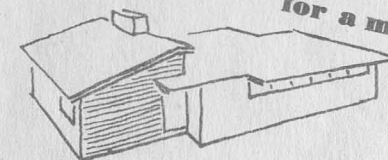

in 1941

we built a building to study in

also a house

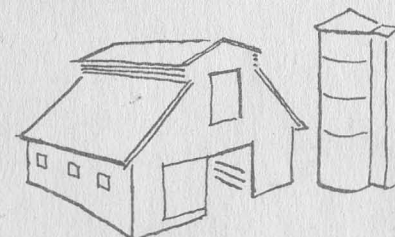

for a music teacher

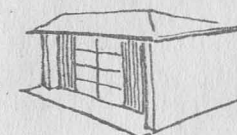

during the war we expanded the farm

a barn

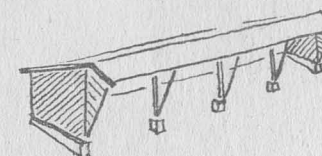

a silo

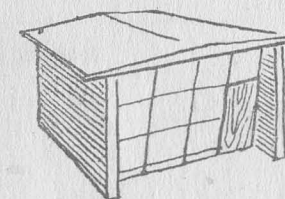

a milk house

a tool shed

this spring a music room

and now
